:: Chester ::

INTERSKY!

Intersky will co-ordinate any requirements for members wishing to purchase hospitality across the UK and Irish racecourses, and provide a facility for members to deposit funds to suit their finances against any future events.

Intersky have purchased a small interest in three horses (1 Filly) from the Newmarket Sales, currently being trained by Sam England in Yorkshire, offering members the opportunity to be involved in the three horses racing campaign.

Intersky have available a number of complimentary tickets for Trials Day at Haydock Park on 19th February, will arrange our first meeting viewing the Cheltenham Gold Cup Friday on 18th March within our private Corporate Boxes in the Princess Royal Stand, with live music after racing. Members will meet every month enjoying racing Hospitality, attending Punchestown, Chester and York Races, members will also receive the latest information regarding the horses racing schedule, (hope to make a winning start early January).

The cost to join this new racing and corporate venture would require a monthly subscription of **£75 per month** (incl of vat), offering members a **complimentary Corporate Hospitality invitation to Aintree Races on the 6th November,** plus a **25% discount Hospitality Voucher** against any Intersky Corporate event *(excluding the Grand National meeting)*.

Bill Murphy, *Managing Director*

"The facility in the 'Princess Royal Suite' has been a huge success. The overall views of the course and the racing are excellent, our guests were extremely impressed with the facility and friendly atmosphere, the food and service cannot be faulted. We'll definitely be back again."

Adrian Osman, head of Corporate Events Ladbrokes Coral.
